

## FOR IMMEDIATE RELEASE

### Queen City United Soccer Club receives National Youth Club License

March 15th, 2022

Today, Queen City United Soccer joined a limited group of prestigious clubs across the country to have earned a *National Youth Club License*.

This designation recognizes the highest achieving organizations across Canada. Organizations achieving this license display characteristics and demonstrate behaviours aligned with the highest expectations of governance, administration, infrastructure, and technical instruction. These groups also participate in the highest level of competition in Canada.

*"The significance of this achievement cannot be overstated. It is the result of an enormous, years-long effort put forth by our leadership, coaches, parents, and athletes,"* said Board Chair Chris Bailey. *"It's a great day for our club."*

QC United is one of the first organizations in Saskatchewan to receive this license. We want to congratulate Astra Academy who also received the designation this year.

*"QC United is a success because of our members,"* said Executive Director and Coach, Hugh Dooley. *"We are so fortunate to have such a diverse and dedicated group of members who trust us to work with their young soccer players each and every day."*

Dooley says the license is part of the overall strategic goals and direction of the club. And, it comes just in time for the launch of the spring/summer soccer season.

*"This is part of our commitment to providing quality experiences and leadership development through the game we love,"* said Dooley.
