# The Soccer Club

## MISSION

To support aspiring athletes and individuals through exceptional soccer experiences.

## VISION

To be the center of choice where every athlete realizes their full potential on and off the pitch.

## VALUES

### Integrity

We are honest, transparent, and accountable.

### Respect

We are responsive, collaborative, and fair.

### Commitment

We are passionate about development, innovation, and achievement.

### Inclusion

We are inclusive, welcoming, and reflect our community.

# Registration

To register for a program at QC United, please create an account using our [QC United Ramp Website www.qcsoccer.ca](http://www.qcsoccer.ca) and click on the **Registration** tab. It will be used for all of our Club programs and camps.

You will only need one account per family. If you already have an account and have registered previously, you do not need a new account. Just use your existing account.

**OUTDOOR REGISTRATION WILL CLOSE [March 15, 2025](#).**

# Payment

Grassroots Programs Development Programs U11 Skill Centre	Fees are due in full when you register.
Emerging Talent Centre (ETC)	Initial payment of \$600 and all additional fees (clothing, bond buyout, etc) are due at time of registration. Online monthly payments are available for the balance over 3 months.

Players needing to make other financial arrangements must do so with Sarah Cooke, our Club Administrator, by emailing her at [registrar@qcsoccer.ca](mailto:registrar@qcsoccer.ca).

# Fees

The Club charges a variety of fees at the time of registration and once a player is placed on a team. All programs have the following fees:

**Club Registration** Base fee charged by the Club to cover operational costs.

**Legacy Fee** Supports capital projects. (i.e. turf replacement)

**Facility Fee** Supports facility operations. Players can opt into selling tickets for the Club raffle instead of paying this fee.

<b>Team Fees</b>	Paid directly to your team manager to help cover tournament fees, league fees, coach travel costs, and other team-specific costs.
<b>Volunteer Bond</b>	Provided by post-dated cheque to your team manager. <b>Each player's family is required to volunteer 4 hours per player per session.</b> Once completed, the bond cheque is destroyed.
<b>Uniform Bond</b>	Provided by post-dated cheque to your team manager. The bond is for the uniform provided to the player. The uniform needs to be returned at the end of the season. If the uniform is returned in good condition, the bond is destroyed; if not, it will be cashed.

In the case fees differ between this document and the online registration system, please defer to the online registration systems fees.

# Financial Aid

The Club realizes all families may not have the means to fully finance their children's participation in sport. If additional assistance is required, please contact [registrar@qcsoccer.ca](mailto:registrar@qcsoccer.ca) for payment plan options or internal club funding options that may be available to assist with some costs not covered by third-party funding (i.e. [Kidsport](#), [Jumstart](#), etc.).

## Family Discount

Our organization is committed to making soccer accessible to everyone. We believe this beautiful game is for everyone, regardless of age or background. As part of this commitment, we have reimagined our family discount program to help make it easier for families to play soccer together.

We are now offering a special discount. **After two fully paid youth registrations, all additional youth base registrations for siblings will be free.** This means more families can afford to get involved in our soccer programs and enjoy the benefits of playing the game together.

## Adult Discount

We also want to encourage adults to continue playing soccer for life. That's why we are now offering a 50% discount on base registration for adults who choose to play in one of our adult leagues and have two or more children playing within our organization.

This is a great opportunity for parents to stay active and healthy while also supporting their children's love of the game. If you're interested in learning more about our family discount program, please visit [www.qcsoccer.ca](http://www.qcsoccer.ca) and click on [Family Discount.docx](#) or contact Sarah at [registrar@qcsoccer.ca](mailto:registrar@qcsoccer.ca). We look forward to seeing you on the field!

ACCESS TO THE GAME FOR ALL YOUTH.

## Keeper Discount

As an organization, we understand the added expenses that come with playing the position of goalkeeper full-time. To help reduce this burden, we are pleased to announce we will be offering a **50% discount on the base registration fee** for players between the ages of U13 and U18 who are selected to be full-time goalkeepers in one of these age groups.

To qualify for the keeper discount:

- Players must maintain an attendance average of 75% or higher to remain eligible for the discount;
- Players must be prepared to be available for all competitions; and
- Players receiving this discount should have no expectation of getting minutes as a field player.

Note there may be more than one full time keeper per team.

# QC United Grassroots

---

At QC United, we have cultivated an environment encouraging our young players to have fun, be brave, and fall in love with the game.

Our curriculums and programs emphasize fundamental movements and skill development in practices, sessions, and games.

# U5

## PROGRAM OVERVIEW

Our U5 program emphasizes the physical literacy stage of player development, creating a foundation through engaging games and challenges that encourage a variety of movements both with and without the ball. These activities include running, jumping, throwing, hopping, balancing, and kicking.

We combine basic soccer skills with fundamental movement exercises to help our players develop essential physical abilities.

All our coaches are Safe Sport certified and adhere to CSA guidelines for coaching Active Start sessions. Our coaching staff foster social skills by designing games that promote teamwork and set challenges.

# U11 Skill Centre

The U11 Skill Center Program is tailored for young athletes born in 2014 and 2015 who seek a more challenging and competitive soccer environment. This program aims to help each player reach their maximum potential by focusing on individual skill development within a fun and engaging setting.

## Program Objectives

### Individual Technique and Skill Development

Emphasis on critical development areas such as:

- Spatial Awareness
- Ball Mastery
- Combinations
- Individual and Small Group Attacking and Defending
- Passing, Receiving, and Turning
- Shooting and Finishing

## Structure and Format

### High-Level Training Environment

By registering your child in this program, you are not registering for a premier-level team; you are registering for a high-level training environment.

### Fluid Team Formation

- Event-Based Teams: Teams will be created for specific events throughout the season.

- Developmentally Appropriate Placement: Coaching staff will determine the appropriate level of play for each player at each event.
- Dynamic Rosters: Team rosters will change from event to event based on players' development needs.

## Coaching and Safety

### Qualified Coaching Staff

- All coaches are Safe Sport Certified.
- Program leads and head coaches hold high-level licenses.

### Supportive Environment

Coaches ensure a safe, supportive, and structured atmosphere for all players.

By enrolling your child in the U11 Skill Center Program, you are providing them with a platform to enhance their soccer skills in a challenging yet supportive setting, guided by highly qualified coaches.

# Playing Time & Attendance

## PURPOSE

The primary objective of QC United is to provide a positive and enjoyable soccer experience for all our stakeholders. Regular attendance is crucial to achieving individual player development and team success. This guideline outlines the expectations for U11-U18 player attendance.

## PLAYING TIME GUIDELINES

Playing time is averaged throughout the season.

- U11 50% of eligible minutes
- **U13 Development Centre** 50% of eligible minutes
- **U13 Emerging Talent Centre** 45% of eligible minutes
- U15 40% of eligible minutes
- **U17 Development Centre** 40% of eligible minutes
- **U17/18 Emerging Talent Centre** 35% of eligible minutes

Playing time is based on player performance and meeting coaching staff expectations.

Players must maintain a specified attendance threshold to receive minimum playing time.

## GENERAL ATTENDANCE EXPECTATIONS

### Regular Attendance

Players should attend all team practices, games, and other scheduled team events. The minimum expectation for players is to attend 80% of all practices and training sessions throughout the season.

### Punctuality

Players should arrive 15 minutes before training sessions and a minimum of 30 minutes before games.

Note: Coaches may request players arrive earlier than 30 minutes before games. Tardiness disrupts the team's training and game preparations.

HERE FOR THE PLAYERS.

## Communication

If a player cannot attend a practice, game, or event, they or their parents/guardians should update their TeamSnap account and advise the coach as early as possible.

## When Attendance Falls Below Threshold

To ensure fair and consistent participation, the coaching staff will implement the following attendance guidelines:

1. 80% Threshold

If a player's attendance falls below 80%, they should expect reduced game play. This reduction reflects the need for regular participation in team activities.

2. 70% Attendance Threshold

If a player's attendance falls below 70%, their playing time will be significantly restricted. They will:

- receive no more than 25% of the total playing time in any game, and
- not be eligible to start any games until their attendance improves.

Players are expected to prioritize attendance to ensure they can fully participate in games and contribute to the team's success. Regular attendance is crucial for team cohesion, strategy implementation, and overall performance. By adhering to these guidelines, players will understand the importance of commitment and the impact of attendance on their role within the team.

## Make-up Sessions

If a player has a consistent conflict with one of their weekly training sessions, the Club may provide them with an alternate session with another team that the player can attend. The Club will only allow the player to make up one session per week and this is contingent on there being a suitable alternative option available for the player.
